

## **SCHEDULED TIMES FOR PURCHASING A CHEM 201 OR CHEM 202 TEXT**

**NOTE 1:** Sales are CASH only. No checks, no plastic, etc.

**NOTE 2:** Be sure to check the "Corrections to errors" web link for corrections for both the Chem 201 and the Chem 202 texts. This list is updated if new errors of significance are found.

Update August 17:

A schedule of times for purchasing texts during the first week of classes will be posted here within several days. Until then, you can still get a text in Dr. Noble's office, CB 348. Best times are mornings, although available times right now are erratic. You can email him at *menoble@louisville.edu* to set a specific time.
